YOUR MISSIONARIES TO AUSTRALIA

“...behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest..” John 4:35

Dear Saints,

Thank you all for your continued faithful prayers. We rely upon them daily for our guidance and help. God continues to answer those prayers by adding to the church here in Sydney such as should be saved! “Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved.” Acts 2:47

We rejoice with 9 converts following the Lord in baptism! I believe this is a direct result of working in the Lord's harvest. The Lord's labourers here in the church are going out into the highways and hedges and compelling them to come in. Our church is on the streets doing public ministry up to 4 times each week. We rotate in and out of over 10 different suburbs. At one of the street ministries, a man named Tom knelt down, bowed his head and trusted Jesus Christ as his Saviour right where he was standing. The Lord has made us fishers of men! A fisherman once said the more you go fishing the more you catch! Please pray for these converts to grow in the nurture and admonition of the Lord. We also have a monthly nursing home ministry and at the last service an elderly Filipino man named Jun got saved. The Lord can save the young and the old as long as they have breath!

The 4 church plants around Australia are growing in the Lord. People continue to join these works and souls are being saved. Please pray in particular for Melbourne Church as there is some division from babes in Christ that needs God's divine intervention.

The work on the church building continues. We have been doing our best to try and get things done but things are moving slowly. We are often reminded that we are not carpenters and builders but ministers. We forge ahead with a sword in one hand a trowel in the other. Please pray for us to have the Lord's wisdom, provision of men, and resources to get these projects completed. Thank you!

Our family is doing well. The children are alongside us serving in the church. We are thankful for their willingness and love for ministering to others. Our oldest two children, Abigail and Jeremy are learning to drive. Please pray for our safety as we teach them. We appreciate your love and support.

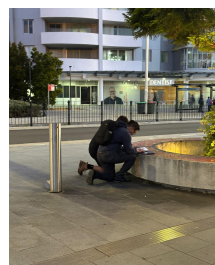

In Christ,
