

The **Brashear** Family

Missionaries to the **Fiji Islands**

September / October 2025

Dear Brothers and Sisters in Christ,
Here is an update of our ministry for the past two months.

PERU

In September we completed our team trip to Peru. We were able to give the gospel to over 11,000 students and teachers while we were there. One of the highlights was the opportunity to speak at Colegio Chistimo. This school and church has a rich history as it was founded by the brother of Jim Elliot in 1995. These students were also among the best behaved. One of our teams spoke at the Police Academy in Lima and many responded asking for more information about salvation. The commandant said that he would personally follow up with each person that filled out the request.

FIJI

Our local team has continued ministering in the outer islands in the Lau Group. In 2024 there were two new secondary schools opened on two different islands. In October Sereseini Vuki along with Brother Ledua and Brother Jope from Nausori Baptist Church were able to teach in these schools as well as Yasayasa Moala College on a third island. Brother Jope has been a faithful man in the church for many years but this is the first time he has joined us in teaching in the schools. Please continue to pray for these three and for Pastor Marika Prasad as they continue our ministry in Fiji.

RWANDA

We have begun to lay the ground work for our team to teach Creation Science in the public schools sometime in September next year. Jovan has been my guide and from what I have seen so far it appears that religion and biblical ignorance are the biggest strong holds to overcome. Please pray that we will be able to make a difference for the Lord.

Thank you so much for your continued prayers and support!
